

Working with GP practices to provide support, information and advice for children and young people with mental health, neurodevelopmental and other health conditions, and their families.

Children’s Health and Wellbeing Navigator

Hours of work: 37.5 per week

Annual Leave: 30 days plus bank holidays (FTE)

Salary: Up to £26,608 (FTE)

Employed by: Involve Kent

Responsible to: Children’s Health and Wellbeing Manager

Based: Margate Primary Care Network GP Practices - Bethesda Medical Practice, The Limes Medical Centre, Northdown Surgery, Mocketts Wood Surgery

Join a well-established, progressive charity, providing an innovative and unique service for children and families across Kent.

Working with GP practices to identify and support children, young people and their families through a potential diagnosis pathway eg mental health, neurodevelopmental and other health conditions. Advocating for them and bringing together professionals as a Multi-Disciplinary Team to ensure a coordinated approach to their care and support. Helping them to access information, groups, and inclusive activities that they can enjoy.

We are looking for someone with excellent communication skills who enjoys working with children and families. Experience of working with a holistic and person-centred approach and has strong IT skills with experience of entering personal data accurately. It’s important to be confident in a multi-disciplinary environment, flexible, can-do approach and able to build positive relationships with other professionals as well as support the whole family.

This role also includes providing regulated activity with adults/children and employment is therefore subject to relevant checks with Disclosure and Barring service.

Please note, you must be able to drive and have access to a vehicle for this role.
